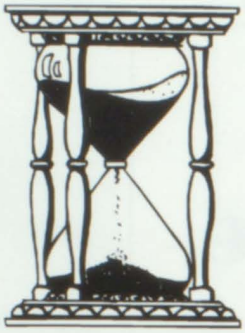
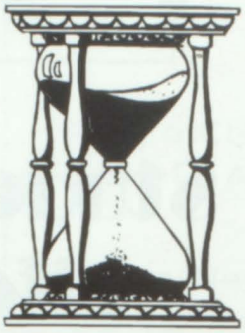
Marking The Last 100 Years





Mark the Millennium is the theme of the 76th volume of the De-O-Wain-Sta yearbook. We have chosen this as our theme because it is a once in a lifetime event that we are fortunate enough to experience. We hope that someday you can look back on this yearbook and see what the Millennium has brought to the World.

In the last thousand years there have been enormous amounts of technological advances that have contributed to the evolution of our World. We have chosen to take a look at the last hundred years because these are the years most familiar to us. Our goal is to show you the changes that have occurred throughout the times.

Written by,
Editor- Alana Fanto and Danielle Bowers

On my way ...

See you later!!

Facing Graduation

Faces of old and faces of new.
People we know and people we knew.
Growing together then drifting apart,
Always an ending and now a new start.
At graduation we'll all grow nearer
And all of our friends seem so much dearer
And as we say our final goodbye,
One last embrace and one more cry,
A "keep in touch" and a "promise I will"
A " remember when", but better still.
A place in my heart, you'll always stay,
This is what's been said as we go our own way.

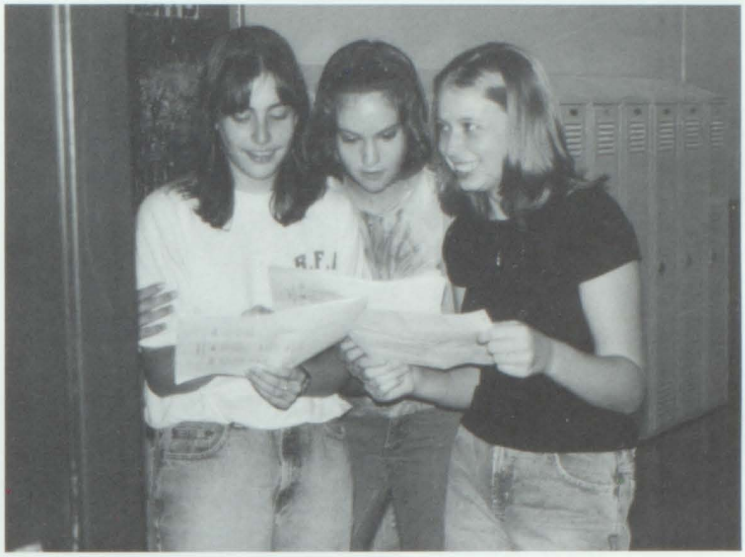
Where the Road Begins...

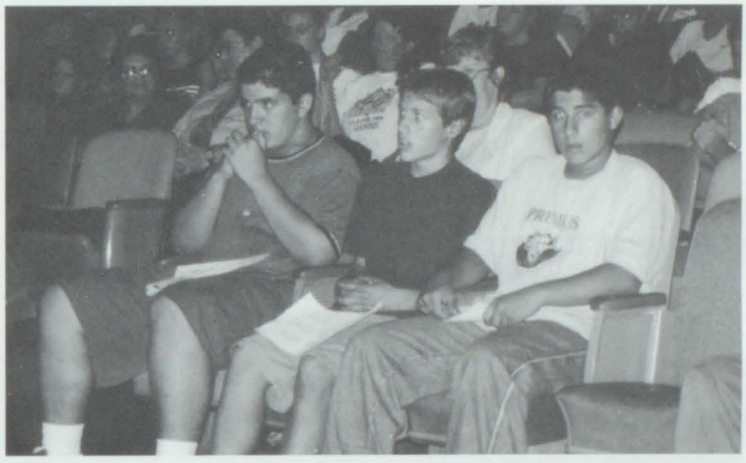
Sophomore Night

It was the night before the opening of school when appropriately 400 sophomores gathered in the auditorium. There was a feeling of excitement coupled with nervous anxiety. They sat listening intently to speeches given by the administrators, guidance counselors, and class officers. The speakers explained about what to expect and what is expected of them. Schedules were distributed and the students quickly connected with their friends, comparing classes and lunch periods. They then set off through the halls in clusters, scrambling to find their class-rooms in order to avoid losing their way on that hectic first day. For many sophomores that night was just the start to a very fulfilling and memorable high school experience.

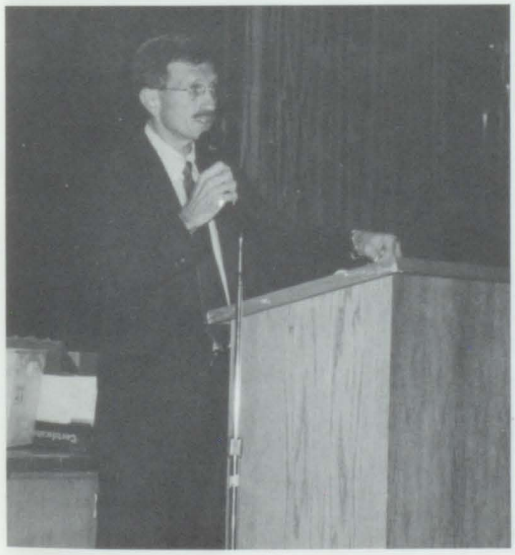
-Kara Gillen-



Precious Moments: Catherine Vincent, Judy Welfel, and Jodie Street are looking at their schedule in preparation for opening day.



Anticipation: Todd Quick, Robert Tucker, and Sal Costello are listening to the presentation by guidance and administration.



Presentation: Mr. Vero is giving his opening remarks.

New Schedule: Nicole Jeffery and Frank Mazzaferro are receiving information from Ms. McConnell.

Board Of Education And Administration

Someone once said "a hundred years from now...it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove... but the world may be different because I was important in the life of a CHILD." Many people have been important in my life. Rome Free Academy especially has played a powerful and profound role in shaping and growing my future. As a student here graduating in 1969 many good teachers, class and schoolmates positively influenced and inspired me. Some of the happiest, most fulfilling years of my life were the twelve years I enjoyed teaching at RFA, 1973-1985. I was also an assistant principal at RFA for one semester. Now I have come home again as your Principal. I cannot tell you how proud and pleased I am to serve you. I have great hopes and expectations for RFA, for our new 9-12 high school to open in September 2002. I look ahead to the year 2008, when I will see my daughter graduate from this remarkable school. Yes indeed, RFA has certainly been important in my life. Almost every important person in my life attended and graduated from RFA. That includes my parents, my brothers, my cousins, my friends, my colleagues, my wife and soon my daughter. So as I contemplate this new century and millennium, I offer this thought to you and future generations of RFA students. In the words of Soren Kierkegard, Danish philosopher (1813-1855)..."if I were to wish for anything, I should not wish for wealth and power, but for the passionate sense of the potential, for the eye which, ever young and ardent, sees the possible. Pleasure disappoints possibility never."

Board of Education members are an example of how democracy in the United States was fashioned to keep local government close to the people. They have the obligation in our community to serve as trustees for democracy.

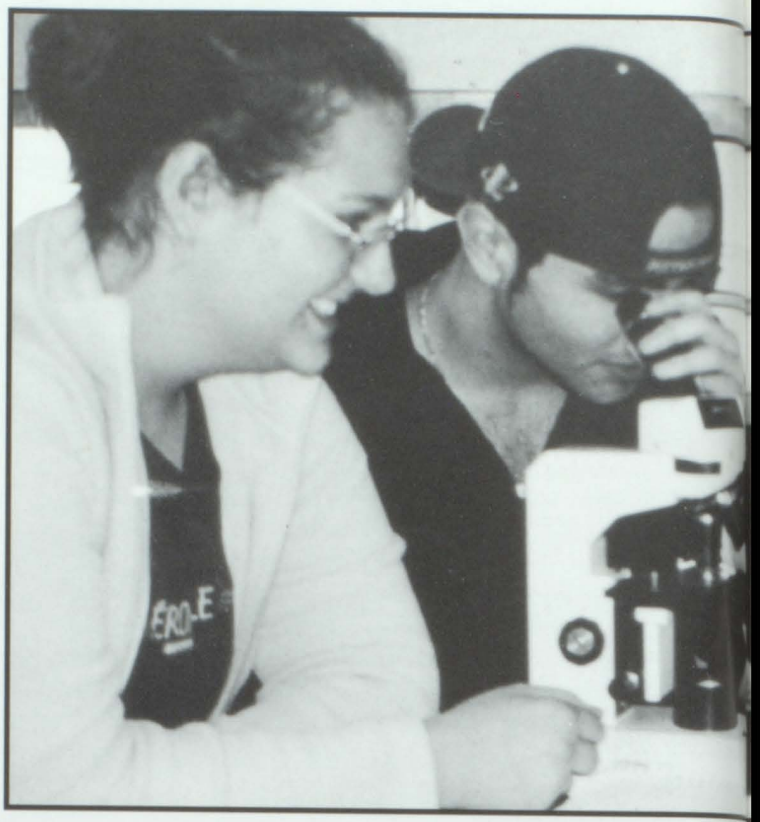
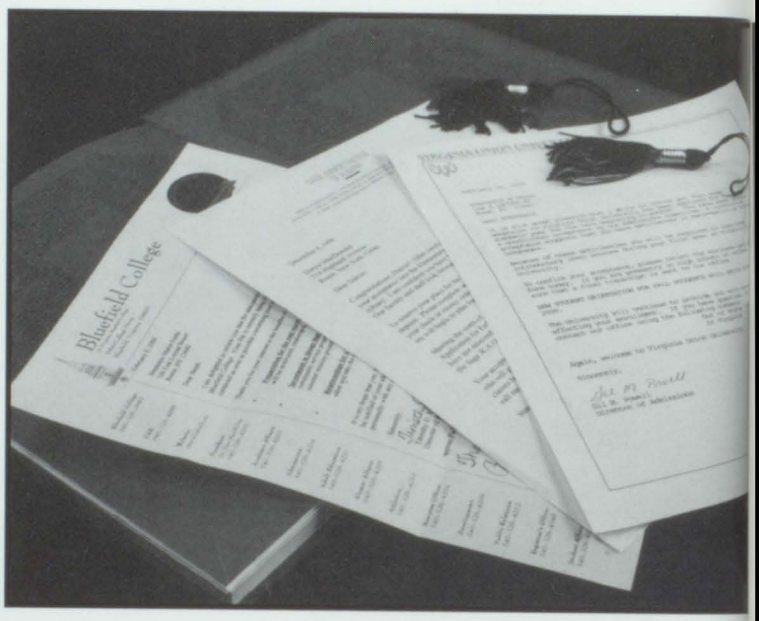
Rome Free Academy prides itself on its academic program. It offers a variety of courses which allow each student to accommodate their academic needs. Many students excelled in their courses by exhibiting enormous amounts of time and effort in their quest for excellence. Enrichment programs, such as the Regional Program for Excellence, enhanced lessons taught in the classroom.

The students in this section are superb examples of the quality of student RFA traditionally produces.



No Sweat! Tara DeMatteo doesn't seem too stressed during this test taking session. It looks like all her studying has paid off!

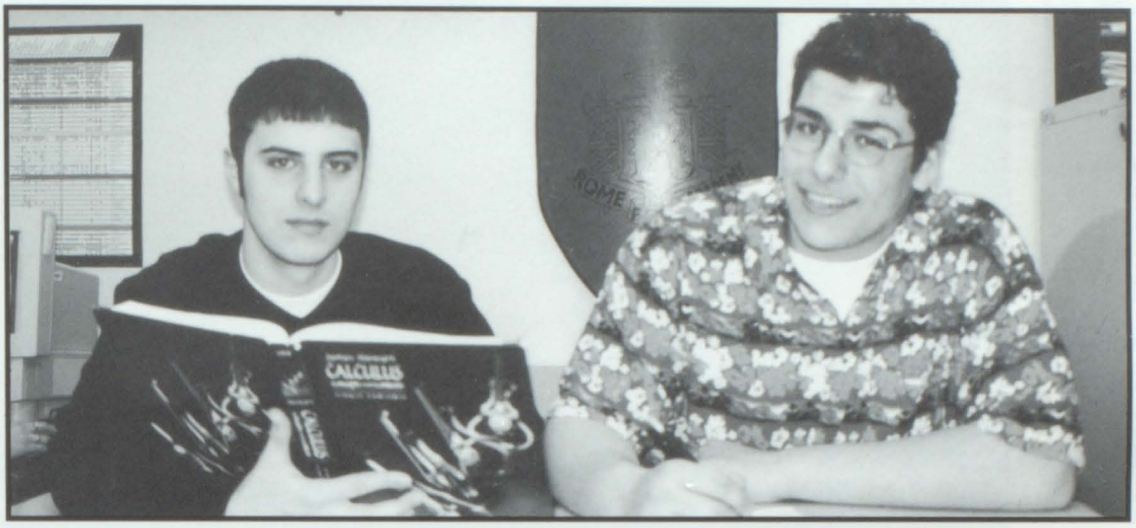
I Did It! The much anticipated acceptance letter to college is the final reward for all those years of completing rigorous course requirements.



Academics

I Think It's Moving. Tony Mariani checks out a specimen during Ms. MacLaughlin's biology class while lab partners, Rian Pettinelli and Tiffany Hoke look on.

Calculus Rules! Top scholars, Chris Voisine and Ryan Austie, enrich their high school experience by electing to take challenging courses offered at RFA. Way to go, guys!



And The Winners are ...: Katie Ryder proudly accepts the Honor Society's first place award from organizer Sue Hanson, for the organization that collected the most money in this year's Crop Walk for World Hunger. Congratulations to all those members who participated.

Scholarly Explanation. AP English student, Keagan Lacey (center) shares his erudite interpretation of this scholarly work being discussed in Ms. Dyken's class, while fellow classmate Ryan Nutting looks on.

Regional Program

The Regional Program of Excellence is a mentoring program offered to conscientious RFA students. The participants are students who are nominated by their teachers and have an 85 or higher average in their field of interest. Programs are offered in business, human services, fine arts, law, medicine, government, science, and technology. A few of the students who participated in the program are:

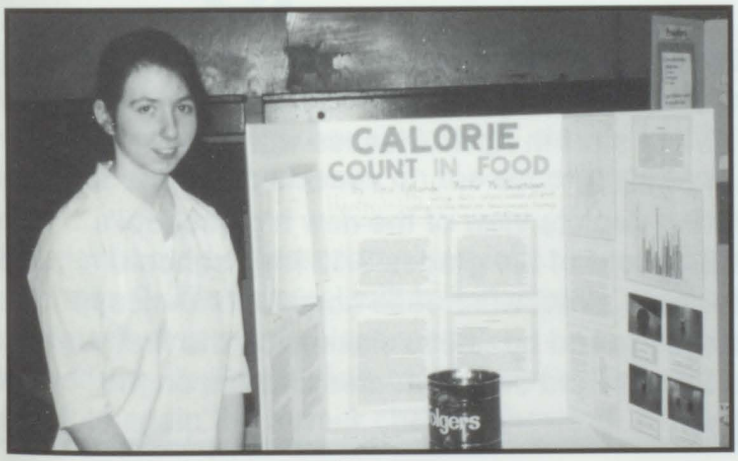
Tom Meiss and Samantha Taffner. Both students were selected to participate at Revere Copper Brass. Samantha worked on a fiber optics project under the mentorship of Kashif Karesky. Tom worked in the accounting department where he helped computerize accounting cycles.

Joe Cavano. Al Calogero from the Fitness Mill was a mentor to Joe whose interest is in sports and physical fitness. His time was spent learning the daily operations of running a small business.

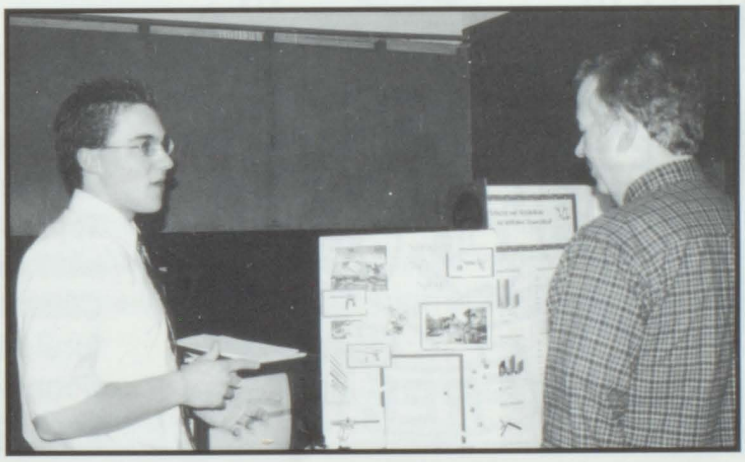
Claire Gallien and Jessica Giardino. Aspiring educators, Claire and Jessica, worked in the classroom. Jessica was an assistant at Fort Stanwix in Mrs. Rosenburgh's second grade class while Claire worked at the School for the Deaf with Jeri Bartscheer.

Science Fair

The Rome Science Fair, sponsored by the Rome Academy of Sciences, provided many RFA students the opportunity to compete on an intellectual level. Those students who won at this year's event were Leah Taylor for "Genetic Analysis Using Electrophoresis", Kari Ouderkirk for "Tobacco and Alcoholism", Matt Vacarro for "Pneumatics", Tara laLonde for "Nutrition-Calorie content in Food", and Jacob Meiss for "Factors that Affect Muscle Membrane Potential."



Future Nutritionist. Tenth grader Tara LaLonde stands next to her award winning science project. With all the emphasis on diet in this society, she certainly has a bright future ahead.



Role Reversal. Science teacher Jan Swartout gets a lesson from senior Jason Spindler on his entry "Savagery or Sport". Will there be a test at the end of this lesson, Jason?

Businesses 'make their mark'

Throughout the years there have been many businesses which support the De-O-Wain-Sta yearbook. Some businesses have supported the RFA yearbook for many years while new ones join us each year. We would like to thank all the local businesses who purchased ads this year. Our hardworking, aggressive, yearbook staff was able to double their ad sales over last year. Congratulations and thank you to everyone for your support!

Power of Persuasion. Elisa Arrighini uses her charm and personality to sell a senior tribute ad to Brett Couchman for the Girls Indoor Track Team. The senior tribute section has doubled in size since its inception - we hope the trend continues throughout the millennium.

Loyal Supporter. The RFA yearbook staff would like to commend the Rome Sentinel for purchasing ads in the yearbook for over 50 years. This ad appeared in 1947.

Marking the Millennium. Shelly Froelich, owner and operator of her new business, The Pine Tree, purchases an ad from Danielle Bowers for the De-O-Wain-Sta. (See page 183). We would like to thank her for the support and wish her the best of luck on her new venture.

Making Her Mark: Melissa Strife demonstrates the winning form she used to sell the most ads for this year's book. She will receive $50 for her effort and a special 'thank you' for her hard work. Second place was awarded to Jennifer Fall who will receive $30. Great job, girls.

New Currency. Changes in currency have marked the new millennium ($20 bills above) and the first gold dollar coin was introduced this year.

Growing Up ***by Matthew Sneed***

Printed with love by Mom, Dad, & Chris

Glancing in the mirror as I leave my home
With no destination, purpose only to roam
Yet as I leave, something comes to mind
I stop and stare at my reflection without anything hoping to find
But I watch as my twin's eyes stare back at me
I suddenly realize, as a person I am free…
Memories of the past start to flood
Memories of my brother as we are sworn by blood
Memories of lost love and broken hearts
Memories of long nights spent only playing darts
Memories of wandering souls drifting apart
Memories of the days when we thought only we were smart
The memories of friends who will forever leave an impression
The painful memories of bleak days spent in depression
Memories of bittersweet triumph and victorious defeat
The recollection of the days when toys trucks were "neat"
Memories of the first day of school…
Back in the day when cartoon characters were cool
Wondering where this time has all gone…
Time passes quickly with each day's new dawn…
I turn away from the mirror, ready to face everything new…
Because life can only be lived with the memories you hold on to
Everyday older, everyday bolder…
Facing the world with my head held up
And that's when I know…I'm truly growing up…

Graduation is the beginning of the next phase in your life. You survived Miss Liz's nursery school, Lake Delta, Staley, and RFA (and so did we). College is ahead of you, waiting for you to make your mark. You have a zest for life and a vitality matched only by your boundless energy. Focus that on your future career and life and you will not only be successful, but unstoppable.

You are intelligent, wonderful young man with a winning personality and the ability to compromise (perhaps the benefit of being the middle child). We know that your future is bright and limitless; we will always be here for you , for you are a part of us. We hope your prayers will be answered and your dreams fulfilled.

Even if you don't end up in the same place, we know you will remain good friends. Work hard but have fun as well. As Willy Loman would say, you both have "all kinds of greatness" in you. Now is the time to let it shine. Keep in touch with each other and us. We are very proud of both of you!!

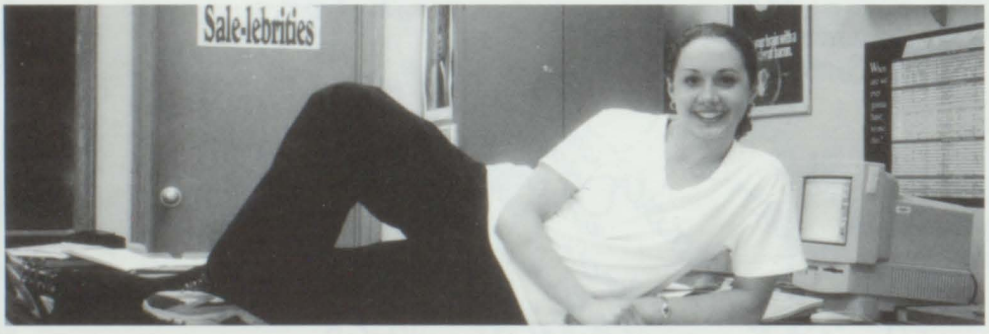
Our Last "Marks"

As the year comes to a close, (and we panic to make our last deadline), we have to take a moment to sit back and really look at all the effort we have put into this "Millennium" yearbook. It seems like just yesterday Ms. Cataldo was pushing all of us to sell ads and Mr. Mazzaferro was getting nervous about our first deadline. As the year progressed we all became pros at designing our own layouts, coming up with creative headings and lead-ins, and I think we all became exceptional photographers. Without the help of my girls, (oh, Mr. Mazz too), this yearbook would not have been completed with such success. The effort you girls put into this was phenomenal; you have definitely made your "marks" on the class of 2000. Congratulations on a job well done. YOU GO GIRLS!!!

Editor-in-chief
Alana Fanto



Alana Fanto- Elisa, Why don't you come down this hallway??? Mr. Mazzaferro my headache ... Ms. Cataldo my aspirin! You guys were great!

Melissa Strife- Ryan's late again! Stephanie please take speech lessons ... arf, arf, arf!! Thanks for a great year, I had lots of fun, see you next year!

Makes Their Mark

Tammy Babcock- Darcie, did you get those pictures yet? Don't worry Mr. Mazz, the page is almost done! There was never a dull moment in yearbook.

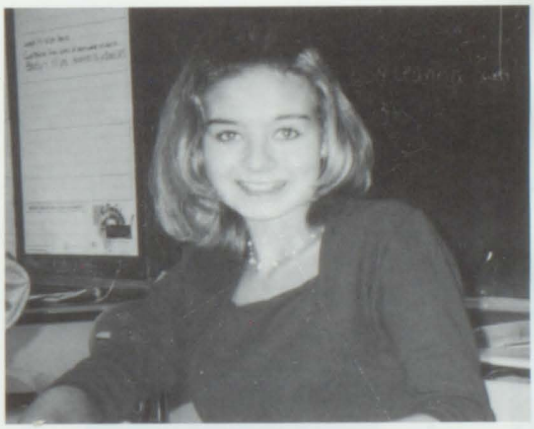
Elisa Arrighini- No Alana! I can't go down the hall ... you know he's down there. Jen, practice or no practice? Remember girls ... Actions speak louder than words.

Kara Gillen (above) "I've called <u>everywhere</u> and no one will buy an ad! "I hate calling people!" Hey Ann, how do you crop this? Help me .. Thanks for everything Mr. Mazz and Ms. C!
Jennifer Fall (left) Mr. Mazz ... I swear I don't have it!! Elisa should we go to practice today? Thank you everyone for the memories!

Stephanie Festa- Mr. Mazz were gonna fight! Melissa if you don't knock it off, I'm gonna bite you. Melissa how are your ribs? Kelley, "RIGHT THERE!" S.H.S.

Kelley Sanzone- Wait, what time does this class start? I keep forgetting. Steph, I know, watch out for the curbs! Should we make our usual rounds Danielle??

Ann Hapanowicz- Melissa if you don't leave me alone, I won't help proof the pages! Mr. Mazz relax ... We had a great year, right Kara?



Darcie MacDonald- Tammy, "So what's that address and phone number?" You got to be kidding me ... Thanks Ms. C & Mr. M for a great year!
